EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with James Gromada on August 23, 2005.

2. The application has been amended as follows:

Claim 1, after the last line the following has been inserted: -- wherein said structure includes at least a preselected minimum number of said dedicated channels and said portion of the transmission capacity of said link allocated to said shared downlink channel comprises the balance of said transmission capacity that is not occupied by said dedicated channels. --

Claim 3 has been cancelled.

Claim 7, line 1, "claim 3" has been corrected to -- claim 1 --.

Claim 13, line 7, after the word "requirements" the following has been added: -- wherein said selected channel is selected from at least a preselected minimum number of dedicated channels each allocated a portion of the transmission capacity of said link and said shared downlink channel, and the portion of the transmission capacity of said link allocated to said shared downlink channel comprises the balance of said transmission capacity that is not occupied by said dedicated channels; and --.
